REPUBLIC OF YEMEN

Civil Aviation & Met. Authority

Civil Aviation Safety Sector

Date ... 5-10-10

Ref : ... 833

Information Bulletin Number (A/W 01/2010)

To : All Yemen Operators/Organizations
From : Asst. Deputy Chairman
Date : 1st October 2010
Subject : MOR Policy

It has been noticed that some of Yemen Operators/Organizations are raising MOR's without conducting an investigation or taking proper corrective actions.

The CAMA expects that every MOR raised shall be accompanied or followed by immediate action (if required) and investigation report. This report shall be forwarded to the Asst. Deputy Chairman for Aviation Safety Sector of CAMA by the Operator / Organization responsible for raising this MOR.

The MOR when raised does not alleviate the Operator / Organization from carrying out their own investigation within the company or the respective manufacturers etc.

The CAMA may carry out its own investigation if deemed necessary and will monitor Operator / Organization compliance with the above policy.
